

# Fossil Ridge Community Summer Art Program

## Nothing to do when summer hits

### "Get smart and make art!"

Fossil Ridge Community Summer Art Program is designed to engage your inner artist. We have created a program that will encourage creativity and self-expression. Through supervised arts exploration, building skills and utilizing a wide variety of materials and tools, participants will experience a variety of art concepts, and techniques while having fun a long the way.

We would like to take this opportunity to encourage young adults, parents and community members to make art. The art classes are for any one who wants to join in the fun of creating art. At FRHS we have the opportunity to explore: drawing, painting, assemblage, collage, printmaking, sculpture, puppetry, construction, mixed media, photography, fused and stained glass, tile mosaics, ceramics including throwing on the wheel and much more.

**Dream it and make it.**

***Our fine arts instruction is based on the creative processes and respect for the individual student's style and age appropriateness.***
