

Pumpkin Character Project

Fall decorating is fun and this year we are going to decorate the library with Pumpkin Book Characters.

Students who participate will have their name put in for prize drawings October 26.

Directions:

1. Choose a book at or above your reading level with a memorable character that you have read.
2. Get a pumpkin (foam are fine and preferred). If using a real pumpkin, DO NOT carve it! They rot very quickly. Cannot accept carved or scored pumpkins.
3. Decorate your pumpkin to look like your book character—paint, glue, and more to be creative!
4. **Required:** Notecard with title (underlined) and author—neatness & spelling counts!
5. **Bonus entry for prizes:** Write 3 complete sentences about your character's personality or traits.
6. Entries due to Ms. Kuhn by Tuesday, October 17, 2017—earlier is better.
