

Summer Play Groups

Got the summertime blues already?

Hi Early Learning Families

Family Engagement is collecting contact information for families that are interested in being placed on a play group list for the summer. These activities WILL NOT be facilitated by KISD Family Engagement but will information will be collected and distributed to others on the list as a way to meet others and interact in play groups for the summer. Suggested meeting places can be created if you choose to attend.

If you have questions or are interested in being placed in the directory, please email Jennifer.mcclain@kellerisd.net with parent name, child's name, age, phone number, email address and teacher's name (if applicable).

You may also submit this information electronically by clicking here:
