Why do we celebrate Red Ribbon Month?

**Red Ribbon Month** is celebrated annually during the month of October. Many schools choose to celebrate during one week, but ELC North is celebrating each Friday. By wearing **red ribbons** and participating in community anti-drug events, young people pledge to live a drug-free lifestyle and pay tribute to DEA Special Agent Enrique “Kiki” Camarena.

There are so many ways to learn about staying healthy & drug-free when you are in pre-k! During Red Ribbon Month, we will focus on staying away from household items that are poisonous, such as cleaning products & medicine, and only eating food that has been given to you by a trusted adult, such as a parent or teacher.
