NetSmartz  
Personal Safety Program

Alliance for Children, Tarrant County’s Children’s Advocacy Center, will be presenting a personal safety program to your child. **Netsmartz** will be presented to grades 1 and 3 on **Wednesday, January 31 or Thursday, February 1** and will provide an introduction to personal safety concepts while using the internet. Children who participate in **Netsmartz** will learn about internet safety from Clicky, an animated robot. Netsmartz.org has a wealth of information on internet safety for all ages and I encourage you to browse through this website to find valuable information on how to talk and keep your child internet safe.

If you have questions about this personal safety program, please feel free to contact:
