

NEW TRAFFIC PATTERN

Attention Parents, Faculty and Staff

For those that utilize the north-east faculty parking lot off of Johnson Road, a new traffic pattern for parent drop off and pick up will be tested beginning on Monday, April 9, 2018.

The new pattern, as shown below, will limit the distance the students have to travel on foot to enter the building. This will increase student safety from vehicular traffic as well as exposure to inclement weather. Members of Security and Faculty will be on hand to assist with traversing the new traffic pattern.
