

Keller High School Parking Policy 2017 - 2018

Vehicles parked on Keller High School property are under the jurisdiction of Keller High School. Students must purchase a KHS parking permit to be hung on the rearview mirror visible to security prior to parking on Keller High School property. Lost or damaged permits incur the same fees as listed below:

- ✓ General Parking Permit for 2 Semesters (Full Year) \$50.00
- ✓ Reserved parking permit (full year) \$125.00

According to local policy (FNF Local), Administrators may conduct searches of vehicles on school any time there is reasonable cause to do so. If a student refuses to give consent, the parents of the student will be called to gain consent. **Refusal of consent will result in a loss of parking privileges and possible involvement of law enforcement.**

A student has full responsibility for the security of his/her vehicle and must make certain it is locked and that the keys to the vehicle are not given to others. Keller High School is **NOT** responsible for loss or damages which occur while vehicles are parked on school property.

All students regardless of age, will be held responsible for any prohibited objects or substances, such as alcohol, tobacco products, drugs, weapons, etc. that are found in his/her car and will be subject to disciplinary action by Keller ISD, as well as possible involvement of law enforcement.

Parking permits will **not** be sold or issued with incomplete paperwork. The parking Information sheet must have all information completed and the parking policy sheet must have both parent/guardian and student signatures (even if student is 18). We must have accurate information for each parking sticker sold.

Sharing of parking permits is not permitted and may result in the loss of parking privileges. **The use of fraudulent permits or incorrect vehicle identification information will result in the revocation of parking privileges.**

A student will not display any item on his/her vehicle which may be interpreted as offensive. The offensive nature of an object will be determined at the discretion of the KHS administration.

Any type of reckless driving (excessive speed, driving over curbs, etc.) on KHS property at any time will result in automatic suspension of driving privileges. KHS will **NOT** refund parking pass fees to students who have had driving privileges suspended.

Any student parked in a handicapped parking space (without a handicapped permit), teacher's lot, visitor's lot, striped area, fire lanes, or other unauthorized areas will be subject to having his/her vehicle immobilized (booted) or towed at owner's expense, loss of parking privileges, and/or disciplinary actions. **This includes parking in the numbered/reserved spaces which have been reserved by seniors.**

If vehicle is immobilized, a \$25.00 removal fee will be charged. If vehicle is immobilized because student has not purchased a parking permit, the boot will not be removed until a permit is purchased and the removal fee is paid. **Boots will be removed after the regular school day has ended.** Vehicles that create safety or access problems may be towed, without warning, at owner's expense.
