August 16, 2017

To: Director of Guidance and Counseling

The Fort Worth ISD Citywide College Night will be held on Monday, September 18, 2017, from 6:00 p.m. until 8:00 p.m. in the Texas Room at Amon Carter, Jr. Exhibit Building, 3400 Burnett-Tandy Drive. Please invite your students and their parents to participate in this exciting event where over 250 colleges and universities will be present at this great program.

In addition to the college / university browsing area, we will offer workshops on topics such as college admissions, financial aid and scholarships for parents and students in the adjacent meeting rooms, in both English and Spanish. The seminars will begin at 5:45 p.m. with additional sessions at 6:45 p.m. In addition, the Infinite Scholars program will partner again with Fort Worth ISD this school year. This program is designed to assist high school students throughout the year to gain acceptance and immediate scholarships to several colleges and universities. Representatives from this organization will be in attendance at College Night assisting qualified students.

**Out-District School Registration:** In order to provide ample space, parking and services for your school; please let us know if you are bringing a group of students to participate in our City-wide College Night program. Please RSVP by September 5, 2017 by contacting Pam Osby at (817) 814-2575, by email [pamela.osby@fwisd.org](mailto:pamela.osby@fwisd.org) or email [academic.advisement@fwisd.org](mailto:academic.advisement@fwisd.org).

**Out of District Student Registration:** Please encourage all participating students from your school/district to pre-register for College Night at <http://fwisd.org/college>. This will eliminate the need to fill out individual cards at every table.

*Please note: Free parking is available in parking lots behind Farrington Field, and FWISD will provide free shuttle service to the event from the Farrington Field parking lots. All parking lots for the Amon G. Carter, Jr. Exhibit Hall are fee-based parking lots. There will be an \$10.00 fee charged for parking in any of the open or underground parking lots.*

We have enclosed several postcards to help promote this event with your students and parents. If you would like an electronic copy of the flyer, please email Pamela Osby at [pamela.osby@fwisd.org](mailto:pamela.osby@fwisd.org). We look forward to seeing your school at our City-wide College Night program. Thank you for your cooperation and assistance.

Sincerely,

Anita Perry, Ph.D.

**PLEASE FORWARD TO ALL HIGH SCHOOL COUNSELORS.**
