

2017-2018 Parkview Elementary School Supply List

The following supply list is for scholars at Parkview Elementary, Keller SD. The supplies listed have been determined as the necessary materials for each scholar to have in order to be prepared for school each day. Since these supplies are necessary for a scholar to be prepared for class, parents may be asked to replenish during the year should your child's supplies become depleted or unusable.

These supplies can be purchased through our PTA through May 26, 2017 or if you prefer to purchase on your own many local retailers also carry our supplies.

This list includes the basic individual student supplies but teachers may request donations of additional classroom supplies to support their classroom needs. Classroom supplies will be utilized by all scholars and do not belong to an individual scholar. Any support from parents in providing these additional classroom supplies is greatly appreciated, but not required.
