

Shady Grove School Supply List 2017-18 School Year

The following list includes the basic individual student supply items for classrooms, but teachers may request donations of additional classroom supplies to support their classroom needs. Any support from parents in providing additional classroom supplies is greatly appreciated, but not required. Classroom supplies will be utilized by all students so there is no need to label the supplies. Brand specific items that are listed are requested, but not required. You can bring your school supplies to the campus on Meet the Teacher night or the first day of school.
