Welcome to the Athletics Parent Portal.

Keller ISD Electronic Forms Direction Page

Welcome to the home page for the online forms required by UIL and Keller ISD. These forms are required each year your son/daughter wishes to participate in athletics for Keller ISD. The athletic department would like to thank you and your son/daughter for filling out the forms and submitting them to us in a timely manner.

To get started, you will need the student's name and student number.

Directions:

- The required annual athletic physical and health history cannot be filled out online because it must be completed by the parent/guardian and physician. You may print a physical and medical history by selecting the physical and medical history tab at the top of the page. Once you have selected the tab you will see the link to the physical and medical history and will be able to download and print.
- All other required paperwork will be done electronically. Parent/Guardian will be asked to provide information such as home phone numbers, cell phone numbers, email addresses, name of primary physician, insurance policy information and other pertinent information. Please make sure you have this with you when filling out your forms electronically.
- Remember that to submit online appropriately, you and your child must fill out and sign in all required spaces. Forms will not be accepted electronically without all required information being completed.

*Please read through the Directions as it explains everything you need to have and do to fill out the online forms.

*To get started on the online forms, click on the “Start Online Forms” button at the bottom of the page.

Sincerely,
