DONATION DRIVE

September 5, 2017

Hurricane Harvey destroyed so much not only in Houston but also the surrounding areas as well. Many TMI students and staff members have been saying, "How can we help?" and "We need to do something." We are happy to announce that we are partnering up with a 5th and 6th grade campus, Travis Intermediate in Conroe, TX.

They have sent a list of their immediate needs. Please send items to school with your student as we'll have donation boxes in the front office, Ms. Kearby's room 1313, and Mr. Hale's room 1303.

If you are unable to donate items but would like to donate money or gift-cards, we are accepting those as well.

This Saturday, September 9, Mr. Hale, Ms. Kearby, Mrs. Mackey, and Mrs. Smith will be accepting donations at TMI from

 10AM to 12PM .

In addition, we are doing a PENNY DRIVE So clean out your cars, look under the couches, and send in those pennies (and/or change)!

Their biggest needs right now are the following:

Our main needs at this time are the following items:

Boys Tennis Shoes (sizes 5 and up)
Girls Tennis Shoes (sizes 4 and up)
Boys and Girls Socks (all sizes)
Boys and Girls Underwear (all sizes)
Deodorant

In reference to school supplies, the only current needs we have are the following:
